

HUBERT KAIRUKI MEMORIAL UNIVERSITY

Welcoming Note

To all Students,

Please welcome back to our beloved institution to continue with your academic duties. As you all are aware studies are planned to officially resume on 1 June 2020. Unfortunately, the resumption of classes does not mean the end of the COVID-19 pandemic and all have to live with the virus for some time to come. This requires us to live responsibly in protection ourselves, others and our communities. We will all be expected to follow guidelines as given by the Ministry of Health, Community Development, Gender and Children. We can only win this battle if we fight it together. We encourage you to continue working hard in your studies despite the existence of the Pandemic. Please remember that we still need to take necessary measures against COVID 19;

- Kindly note it is compulsory to wear your masks in the campus including in the offices, classes, hospital, hostel and other places that you will need attend physically.
- Remember to wash your hands with soap and running water and also sanitize as often as possible.
- Maintain social distancing and limit unnecessary movements in and out of the campus.
- Listen and adhere to instructions from Deans, Lectures and Class coordinators.
- Abide to guidelines provided by Ministry of Health, Community Development, Gender and Children (MCDGC).
- Kindly remember to pay tuition fees and complete registration for Even semester.

I hope you all return in good health and I wish you all the best in you in studies.

Prof. Charles S Mgone

A handwritten signature in blue ink, appearing to read 'C. Mgone', is placed over a light blue rectangular background.
